

Topsfield Water Department

FY2014 Rates and Charges

Approved by the Board of Water Commissioners

June 26, 2013

System Access Fee

\$1,000.00 (See Guide to Administration of Connection Fees)

Fire Sprinkler System Connection

\$300.00 (Per Connection)

Annual Fire Service Maintenance Fee

\$60 per fire service connection

Monthly Water Rates*

Base fee of \$7.50 per 30 days (one month) for active services, prorated over number days in billing cycle.

\$5.80 per thousand gallons for 0 to 4,000 gallons of water used per month

\$6.90 per thousand gallons for 4,001 to 8,000 gallons of water used per month

\$9.80 per thousand gallons for 8,001 gallons of water, and over, used per month

Quarterly Water Rates*

Base fee of \$22.50 per 90 days (one quarter) for active services, prorated over number days in billing cycle.

\$5.80 per thousand gallons for 0 to 12,000 gallons of water used per quarter

\$6.90 per thousand gallons for 12,001 to 24,000 gallons of water used per quarter

\$9.80 per thousand gallons for 24,001 gallons of water, and over, used per quarter

Semi-annual Water Rates*

Base fee of \$45 per 180 days (six months) for active services, prorated over number days in billing cycle.

\$5.80 per thousand gallons for 0 to 12,000 gallons of water used per six months

\$6.90 per thousand gallons for 12,001 to 24,000 gallons of water used per six months

\$9.80 per thousand gallons for 24,001 gallons of water, and over, used per six months

***Meters serving multiple units**

The usage tiers will be multiplied by the number of units served by the meter. For example, the tiers for a meter serving 4 units that are billed monthly will receive 16,000 gallons per tier rather than 4,000. The number of units served is based on Assessor's records.

Bulk Water

Water Customers Only - \$25.00 access fee plus:

\$5.80 per thousand gallons for 0 to 4,000 gallons of water used per month

\$6.90 per thousand gallons for 4,001 to 8,000 gallons of water used per month

\$9.80 per thousand gallons for 8,001 gallons of water, and over, used per month

Late Fees

A late fee will be charged to accounts that have not paid their balance within 30-days of the date of the last billing. The fee will be 5% of the outstanding balance, not to exceed \$30.00, for balances greater than \$50.

An additional fee will be charged to the account if payment is not made within 60 days of the bill date. The fee will be 10% of the outstanding balance, not to exceed \$60.00, for balances greater than \$100.

Shut-Off Fees for Non-Payment of Water Bills

If water is turned off for non payment the following turn-off/on fee will be charged:

- o During normal business hours - \$100.00
- o After normal business hours - \$200.00

Water Turn-off and Turn-on

\$50.00 to turn water off. There is no charge to turn water back on.

Service Calls

\$50.00 for the first hour (minimum of \$50.00 for each call) - \$10.00 will be charged for each additional quarter hour after that.
